Standing wooden, triangular shaped object. Reddish color with tan trim. Small railing along back top. Approx 3 1/2' - 4' tall, 18" wide. Well constructed; nicely polished.

54 1/2 Triangular wooden object has something to do with access to something/somewhere else.

[Location of above object] :

- Below deck
- at end of hull wing or room

Part of ship/boat

Long tubes
greenish color

3 1/2" - 4" diameter
